

## LAKEVILLE GIRL SCOUT DAY CAMP COVID SCREENING

LGSDC is requesting that all campers review/self- administer the following questionnaire at home, before proceeding to Steve Michaud park each morning you are attending camp.

LGSDC is encouraging everyone to monitor their own health and support the health of others.

If you answer "YES" to any of the following questions, please stay home and away from other public places to keep yourself and others safe. Monitor your symptoms and contact your healthcare provider immediately if your symptoms worsen.

- Do you have a fever (100.4 or higher) or feeling feverish?
- Chills?
- A cough that you can't attribute to another health condition?
- Shortness of breath, that you can't attribute to another health condition?
- A sore throat, that you can't attribute to another health condition?
- Headache, that you can't attribute to another health condition?
- Muscle aches, that you can't attribute to another health condition or issue?
- Loss of smell or taste, that you can't attribute to another health condition?
- Are you awaiting COVID-19 test results?

If you answered YES to any of the questions and will not be attending camp please call Sherri Schaible at 612.910.7267 to let us know your camper's name and Unit number she is in.
